Each field includes multiple specializations designed to meet the diverse academic and professional goals of students worldwide. Whether you aspire to study arts and humanities, medicine and health sciences, engineering and technology, business management, social sciences, law, environmental sciences, computer science, or cutting-edge fields like artificial intelligence and data science, this document serves as a complete guide to the programs available globally.

List of University Degree Programs

List of over 1000 degree programs across major disciplines, organized by academic level and field. Each entry includes the program name and its general field, with common alternative names in parentheses where applicable.

Diploma and Certificate Programs

Agriculture & Forestry:

- Diploma in Agriculture
- Diploma in Animal Science
- Diploma in Marine Science
- Diploma in Forestry
- Diploma in Horticulture and Crop Science
- Diploma in Food Technology

Applied Sciences & Professions:

- Diploma in Family & Consumer Science
- Diploma in Library Science
- Diploma in Military Science
- Diploma in Social Work
- Diploma in Forensic Science
- Diploma in Fashion, Textiles and Luxury Goods
- Diploma in Emergency & Disaster Management
- Diploma in Food Science
- Diploma in Museum Studies
- Diploma in Real Estate & Property Management
- Diploma in Aviation Studies

Arts, Design & Architecture:

- Diploma in Architecture
- Diploma in Industrial Design
- Diploma in Design
- Diploma in Visual Arts
- Diploma in Film Studies
- Diploma in Music
- Diploma in Art History
- Diploma in Fashion Design
- Diploma in Graphic Design
- Diploma in Interior Design
- Diploma in Landscape Architecture
- Diploma in Musicology
- Diploma in Drama
- Diploma in Urban Planning
- Diploma in Music Composition
- Diploma in Music Performance
- Diploma in Fine Arts
- Diploma in Ceramics and Sculpture
- Diploma in Painting & Drawing
- Diploma in Art and Craft
- Diploma in Dance
- Diploma in Photography
